To whom it may concern,

Re: "Yuzhnouralsky Insulators and Fittings Plant",

This is to certify that "Yuzhnouralsky Insulators and Fittings Plant" – Russian manufacturer of cap and pin toughened glass insulators – have been supplying since 1999 U 70 BS, U 120 B, U 160 BL for our 400kV transmission line in Bulgaria.

Our partners from this plant have always performed their duties, meeting both technical requirements of the products and the delivery schedule.

Yours sincerely,

"KRONOS - 1" LTD
