To Whom It May Concern

We are pleased to certify that a reputable manufacturer of YUZHNOURALSKY Insulators and Fittings Plant, Russia, has supplied us toughened glass insulators for the construction of 110, 220 and 400 kV overhead transmission lines in Finland nearly 20 (twenty) years.

The above mentioned deliveries have included the following types of insulators:

- U 70 BL
- U 120 B
- U 160 BS
- U 210 B
- U 300 B

Yuzhnouralsky Insulators and Fittings Plant has performed their duties in an excellent manner meeting both the technical requirements and the delivery schedule in accordance with the contract agreements.

Due to the above stated we have a full confidence in the competence of Yuzhnouralsky Insulators and Fittings Plant to manufacture, test and supply various types of overhead transmission toughened glass insulators.

Yours faithfully,

ELTEL NETWORKS CORPORATION
