PL.if

We confirm that our cooperation with Yuzhnouralsky Insulator and Fittings Plant, Russia, has been satisfactory during the last 10 years for the manufacture and shipment of toughened glass insulators.

All our inquires had to be in conformity with the different specifications of international standards, we have the know-how and the experience of the supply of insulators and accessories for complete string assemblies for transmission lines H.V. & E.H.V. (66, 132, 230, 400 kV) and we hereby express our full satisfaction we had during our cooperation regarding the quality, the assistance and the respect of the delivery terms.

Patrick LIBERT
